Last year the installation dinner was held at the Skylands Manor, Ringwood for the first time. The RRRC had spent several months planning for the lavish event. The dinner menu selected, band scheduled, table center pieces purchased, Major and County Officials scheduled to attend and speeches were ready to go everyone was bubbling with excitement! Then, as everyone was in there homes planning there attire, the electricity went. All of Ringwood had lost power. Orange and Rockland had informed everyone that the power would not be restored for days. With this sad news came the realization that the dinner was going to have to be cancelled. However, as some of you are aware, Skylands Manor decided to host the event as scheduled. They performed magic that night turning the already beautiful manor into an enchanted candle light majestic castle. As people were walking out the door, they were already inquiring about next years Installation Dinner. The night was an extreme success. The club received raved reviews from everyone that attended.
